

YOUR SMARTPHONE JUST GOT SMARTER.

**Introducing Our FREE Mobile
App With Mobile Deposit!**

**Search in Your App Store for
Diamond Lakes Federal Credit Union.**

Mobile Banking—use this free service to check your balance, transfer funds, deposit checks, pay bills, and much more using your cell phone.

To get started with Mobile Banking, download the Diamond Lakes Federal Credit Union free mobile app from the Apple or Android App Store.

If you are already enrolled in Online Banking, enter your User ID and Password to begin. If you are not enrolled, touch the link to enroll. You will need your six-digit member number to get started.

NOTE: Diamond Lakes' Mobile Banking service is free; however, because it uses your cell phone's data transfer service, there may be a charge from your cell phone provider. You will be responsible for data charges on your device (please check with your mobile provider). Diamond Lakes does not support the cell phone device and only devices that support the Diamond Lakes' Mobile App will be able to use the service. We are not responsible for any errors or failures from malfunction of your mobile device, the browser or the software. You are responsible for the security and security settings of your device.
